

Body Of Boy Is Still Missing In River Accident

Tragedy Hits Home Of Floriston Couple Saturday

Tragedy struck the home of Mr. and Mrs. Willis Burroughs at Floriston on Saturday afternoon when their eldest son, Marvin, aged nine, fell into the swollen Truckee River and was drowned.

Despite the fact the river was searched by a crew of nearly 100 men for two days, the body has not been recovered.

Marvin and his 8-year-old brother were fishing from a large rock 100 feet above the foot bridge spanning the river when, in some unaccountable manner, the boy slipped and plunged into the rushing water. His brother ran to meet his father who was crossing the bridge to take the boys home and saw Marvin being swept under the bridge by the rushing current.

Help was immediately summoned and Constable N. F. Dolley and Deputy Sheriff Roy F. Waters of Truckee led the rescue attempt. Members of the Truckee Ski Posse, headed by E. E. (Pike) Boehm, who also summoned his forest service crew and the Civil Air Patrol of Reno all joined in the search with scores of neighbors and volunteers.

The mishap occurred around 3:30 Saturday afternoon. There are several deep holes, including the one formed by the diversion dam just below Floriston, and it is believed the boy's body may be in the bottom of one of these holes.

The Burroughs came to Floriston from Marysville last summer and the father is employed as section foreman for the Southern Pacific Company there. Both Marvin and his brother attended the Truckee elementary school during the past year and were known as fine boys.

Sympathy of a saddened community is extended to the parents.

PRECIPITATION IN THIS AREA SETS NEW WET MARK

The inclement weather which dampened this region for the past two weeks with intermittent rain showers and chill winds has been replaced with ideal summer sunshine. The U. S. Forest Service reported the rainfall in the Truckee area was less than a quarter of an inch.

The lengthy stormy period broke Sunday when skies cleared to be followed by moderate to warm temperatures with forecasts for continued fair and warm weather for the holiday weekend.

Total precipitation for the season to July 2 was 48.37 inches, or 21.33 inches above normal and exceeding the year of 1938 by .08. That year was the greatest in precipitation since 1889.

With the 1952 season ending in September, there is a two months period to increase the precipitation to a new high, Nelson Stone, fire control assistant for the Tahoe National Forest here, said.

Hobart Railroad Operates Again As Logging Line

Ten Carloads of Logs Each Day Will Be Hauled

For the first time since 1936, trains are running between Truckee and Hobart Mills.

Monday at noon the first train left Truckee over the independent logging line for Hobart, returning a short time later with a load of logs assigned to the East Antioch mills of the Fibreboard Corporation, owners and operators of the little railroad which traverses seven miles of territory.

It is proposed, according to Les Cavanaugh, logging superintendent for Fibreboard, to ship 10 cars of logs daily from Hobart. The cars are brought to Truckee, shunted to the Southern Pacific tracks and dispatched to the mills. The Diesel powered train has a crew of three with J. A. Taylor, former S. P. engineer, in charge of the engine, Conductor William White and brakeman Robert Fealy operating the train.

Motorists are warned that the signals where the line crosses Highway 40 just east of Truckee are operating and should be observed. A second unprotected crossing is on Highway 89 north of here. The operating concern has a two-year franchise on the crossings.

The new independent railroad follows the same course as the old Hobart Southern, which was discontinued and dismantled when Hobart Mills ceased to operate as a thriving lumber town in 1936. After Fibreboard took over the Hobart holdings, the tracks were relaid as a means of transporting logs for the company's mills at Antioch to avoid reloading from trucks at Truckee.

CLEANUP DELAYED AT HOSPITAL; NEW DATE ANNOUNCED

Due to the rainy, chill weather which predominated here Sunday, the landscaping program planned as a community get-together at the Tahoe Forest Hospital has been postponed until Sunday, July 13.

Administrator John Wardman said several people showed up Sunday but because of the inclement weather it was decided not to attempt to clear the yard and plant shrubs.

On July 13 a picnic or pot-luck dinner, as previously planned, will follow the volunteer work detail and everyone is invited to participate.

Sun Beams

by Walter M. Barrett

The only fireworks permitted in the Tahoe National Forest without special permission from officials is the cap gun, and a warning has been issued by the U. S. Forest Service here that enforcement of the laws banning explosives will be strictly enforced. This is not done to dampen enthusiastic celebrants, but is a precaution absolutely necessary to prevent disastrous fires. Forest officials point out that dangers of fire exist in every section of the area. An unattended camp fire, a carelessly tossed cigarette butt or burning match and particularly a smoldering firecracker may result in costly and even fatal disaster. Be especially careful of fire and be sure you have a permit from the forest service before doing any burning of any kind. Keep the forests we have left green.

If everyone using the highways during the approaching holiday weekend will use common sense, we may have no motor vehicle accidents to report next week—and this would be a welcome change. Drive like your life depended upon it—it does. Observe the law, obey the signs and keep our highways safe. Take a little more time and arrive safely.

BLATTNER HAS ONLY MEAT SHOP NORTH OF ARCTIC

Mr. and Mrs. Jack Blattner, who formerly resided in Truckee for several years, have left Nome, Alaska, where Blattner was a butcher for the U. S. Mercantile for the past two years and will open a butcher shop at Kotzebue, Alaska.

The shop is equipped with \$20,000 worth of equipment, according to Blattner, and he couldn't resist the opportunity to have the distinction of having the only shop north of the Arctic Circle.

Word of the move was related in a letter received by Mrs. Hannah Stewart this week.

LOOKOUTS WILL MAN STATIONS IN FOREST REGION

The respite from forest fire danger, occasioned by the recent spell of rainy weather, is now over. According to Fire Control Officer Keith Macdonald of the Tahoe National Forest nearly all summer fire control stations are now activated.

Fire lookout stations to be constantly manned for the duration of the summer season, with incumbents, are Banner Mountain, Sam Kasper; Camel's Hump, Mr. and Mrs. Burt Kurts; Alaska Peak, Mr. and Mrs. Wm. Snyder; Saddleback, Ralph Fugate; Calpine Hill, Mr. and Mrs. Verne LaRivers; Babbitt Peak, Noble Humphreys; Sardine Peak, Marjorie Wesson; Verdi Peak, Hazel Roberts; Martis Peak, Hester Parsons; State-line, Mr. and Mrs. Wm. Cook; Mosquito Ridge, Mr. and Mrs. Ronald Hahn; Holister Point, Mr. and Mrs. John Wendt. High elevation lookouts still inaccessible because of snowdrifts but which will be activated within the next week are Grouse Ridge, Duncan Peak and Sierra Buttes.

Fire suppression crews are squared away at White Cloud, Camptonville, Downieville, Sierra, Truckee, Big Bend, Blue Canyon and Foresthill.

The forest rangers on each of the seven districts of the Tahoe National Forest all report that co-operation from residents and workers in the forest in the prevention of fires is the keynote to protection of our national resources from unnecessary loss from fire.

Six people were injured, two seriously, in six separate auto accidents in this area during the past week.

Asa Phipps, 17 year old Truckee boy, had severe head injuries and one of his four companions, Louis Ramirez, had lesser injuries when a car driven by the former sideswiped out of control and hit a tree near Tahoe Monday morning at 1 o'clock. Al May and Ray Dixon, other local high school boys in the car, were not hurt.

Phipps was cited for driving without due caution by Patrolman Martin Sturcke and taken to the Tahoe Forest Hospital.

Two people were hurt when cars driven by Lillian Stumbo, 48, Burbank, and Claude W. Rex Reid, Oscar Quam and E. K. Stice, who comprise the Truckee Chamber of Commerce committee arranging the conducting of the affair, report that there will be plenty of weiners and soft drinks for all attending and the dance platform is being prepared for the occasion.

The fireworks will be displayed from a raft on Donner Lake to guarantee there will be no bad effects. This particular event is being financed by local and nearby business firms, who donated a total of \$223 to provide for the explosion.

The weiner roast is slated to start at 7:30 p.m. and will be followed by the fireworks as soon as sufficient darkness permits a proper display.

With a baseball game starting at 2:30 in the afternoon between Truckee and Reno aggregation, the district is assured of a very proper and worthwhile afternoon and evening program.

Baseball Game Here Tomorrow As 4th Feature

Colfax Fireballs Will Meet Mountaineers Here On Sunday

Manager John Rau announced that he has scheduled a game with the Reno Mason Clippers for tomorrow—The Fourth.

The Clippers are made up from the best players in the Reno Industrial League of seven teams and are apt to give the locals a bit of trouble. The contest starts at 2:30 P.M.

Behind the three-hit pitching of Lewis Shinn, the Placerville Bartlett's chalked up a seven to one win over the Truckee Mountaineers here Sunday.

There was nothing wrong with the way the local boys played but after the second inning they failed to connect with a single hit, while the visitors collected a total of 13 safeties, including two home runs, one by Shinn and the other by E. Pedretti, off Truckee's south-paw, Bert Munson.

Al Wakefield, local first baseman, smacked out a double in the second and came home on Munson's single for Truckee's only run. Frank Giovannoni, local short stop, hit safely in the first. After that the Mountaineers went down one, two, three for seven straight innings.

Next Sunday, Truckee's traditional rival, the Colfax Fireballs, will come here for what promises to be the liveliest game of the schedule.

Because of the chilly, damp weather here Sunday the crowd was not as large as usual, but next Sunday's game is expected to attract a large crowd.

The score: R H E
Placerville 7 13 1
Truckee 1 3 3
Shinn and Aubert; Munson and Korich.

Manager John Rau denied reports he has signed players from other teams in the Placer-Nevada League, as reported in Grass Valley last week.

SERGEANT NAMED TO HEAD LOCAL PATROL OFFICE

This marks the first time Truckee has had a full-time sergeant since Sgt. H. B. Fowler was transferred to Roseville several years ago. In the interim, William Gautsche, senior patrolman, has been in charge of the Truckee office.

Smith and Gautsche graduated from patrol school at Richardson Springs in the same class in 1942 and for a time Smith was assigned to the Los Angeles area, later accepting a post on the Bay Bridge.

Other officers in the Truckee squad include Gautsche, T. F. Sheehan, Carol Maynard, Roy Stallard and Martin Sturcke.

TAHOE YACHT CLUB LOOKS FORWARD TO ANNUAL RACES

TAHOE CITY—The next meeting of the Tahoe Yacht Club will be held at Chambers' Lodge, Lake Tahoe, Saturday, July 12, at noon, the day preceding the club's big annual regatta at Chambers'. At that time annual election of new officers will take place.

At the noon luncheon on Saturday, June 28, Commodore Rudolph Zimmerman presided, about 20 members attending. Judges for the coming regatta who were appointed at that time were E. L. Oliver, Ollie Meek and George Lewis. L. M. Shomer of the St. Francis Yacht Club, San Francisco, was a luncheon guest.

Enthusiasm was running high as reports continue that some new boats will be entered in the races this year, three of which are reported to be capable of 100 miles per hour. This popular annual event is expected to draw a large crowd and a longer entry list than in former years. Only one thing will be different — a new starter will replace Dave Chambers, who served as starter for the races since the Tahoe Yacht Club was founded. He passed away recently in Santa Barbara.

TAHOE'S SKI CLUB MAKING PLANS ON SUMMER CARNIVAL

TAHOE CITY—The monthly summer Lake Tahoe Ski Club meeting was held Monday night in Tahoe Community Hall at which President Bill Bechdolt presided. He appointed committees for the club's summer Carnival Dance, which will be held August 29 at Tahoe City.

Various clubs are participating in the carnival, including the Tahoe Lake PTA, the Women's Club of Tahoe and the Tahoe City Vol-games, along with dancing and will be booths of all kinds and unteer Fire Department. There other entertainment. Tickets will go on sale at all local merchants shortly. All money realized from the affair will go toward the club's winter expense account for sending the club's members to outside ski meets.

Mrs. Carl Bechdolt Sr. will be chairman of the ticket sale.

Back to Monterey—Mr. and Mrs. Joseph A. Ouellet returned to their home in Monterey after spending ten days getting their Pineland cottage ready for rental. They added a bedroom and front porch and painted the house, greatly enhancing its appearance.

JULIA J. BECHDOLT LIBRARY AT LAKE DEDICATED SUNDAY

TAHOE CITY—Dedication services held on Sunday by Carl Bechdolt Sr. of Tahoe City and members of his family at the Tahoe City branch of the Placer County Library, which Bechdolt erected last fall in memory of his late wife, Julia J. Bechdolt, were impressive and beautiful. Around 200 attended, many coming from distant points. Inspection of the modern library building, between the town's fire house and the community center, was made prior to the services in the hall of the center, the tables adorned with bowls of beautiful flowers, the gifts of friends.

Al Bequette, Placer County superintendent of schools from Auburn, was first speaker and introduced other speakers. These included Senator Ken Johnson of Carson City, Supervisor L. L. Anderson of Forest Hill, Roy Mikkelsen of Auburn and Miss Jane Cotton, county librarian. Father Ronan Brennan of Truckee invoked the blessing.

Supervisor Anderson traced the history of the Bechdolt family from the time they arrived at the lake, telling of Bechdolt's marriage in 1912 to the former Miss Julia Callahan of Pasadena, of the birth of their two sons, Carl Jr. and William, and of the loss of their first hotel, the old Tahoe Inn, by fire in 1934. From the ashes of the old building rose the new and modern Tahoe Inn, one of the finest resorts on the lake. Bechdolt decided upon building the new library when the post-

office was enlarged, taking over the room formerly used as a library and forcing the removal of numerous books to crowded space in the community hall. The town had needed a library and now has one. Miss Cotton expressed the gratitude of the many for the fine new edifice which has well-stocked shelves and a promise of many more fine books from friends of the Bechdolt family.

Bechdolt was last to speak and expressed the heartfelt thanks of himself and family for the fine cooperation shown in making the library a reality. He was especially thankful to four ladies who worked for years to secure a library for this area—Mrs. Anne Anderson, Mrs. John Burns now of Auburn, Mrs. Ruth Hoffman, present librarian, and Miss Cotton—who have expended so much time and effort to bring to the lake the finest in adult and children's literature. He thanked the Women's Club of Tahoe, who helped raise the money for the bronze memorial plate at the door, and the contractors, Norman Mayfield and John Burns, who drew the plans for the building gratis.

Bechdolt expressed the hope that the library would serve the community for many years to come and urged local residents to come often for books, not forgetting the name of his late wife, Julia, as they cross the threshold in their quest for knowledge or entertainment.

TAHOE CITY VOTES 61-17 APPROVAL FOR SEWER BONDS

TAHOE CITY—The \$97,000 general obligation bonds and the \$29,000 assessment bonds for the proposed new sewer system for Tahoe City carried successfully in the election held in Tahoe Community Center Monday. A total of 80 cast their ballots, with 61 vot-

ing yes and 17 no. This was ten over the required two-thirds.

Only resident electors were eligible to vote.

C. W. Vernon, president of the Tahoe City Public Utility District, declares the next step will be to get prices on printing the bonds and advertising for bids for construction of the sewer system. An attempt will be made to complete the \$126,000 project before winter arrives.

by THELMA BURROUGHS

It was happy birthday to little Virginia Baker, daughter of Rose and Fred Baker of Tahoe Vista, who celebrated her 7th birthday Monday, June 23, by sharing an afternoon of games and good times with Margie Mandeville, Karen and Sharon Critchley, Kathy and Sherry Arney, Paula Martin, Carolyn Bland, Susan Lucas, Ronnie Rondelli, Susan Klackett, Joan Decker, Carroll Bailey, and Sally Leeming. Prizes were awarded the Misses Decker, Bland and Mandeville. Refreshments were served and the kids had a big time at Virginia's home.

As guests over last week Mr. and Mrs. Fred Baker had her mother, Mrs. Sam Guerrero, and her sister, Mrs. Cecil DeArmond, both of Sparks.

For luck in fishing, F. S. Taylor of Carnelian Bay has it. Recently he went out with George Mann for a few hours of fishing in the lake and reeled in a 12 pound mackinaw. This was pretty nice. He didn't have to have his picture taken with the big fish to prove his luck to friends and relatives back down in Oakland as his brother-in-law and sister,

Mr. and Mrs. Clarence Gustafson, with their daughter Joan and her friend Bill Hale were up with Taylor and could vouch for the catch.

"Dinner on the Hill" at Cal Vada, Cal-Neva and the North Shore Club must have been well attended on the night of June 25. Saw most of the faces I know up there somewhere. The cooperation of these three clubs is, I believe, fully appreciated by those residents who put in an appearance, and by all those who purchased tickets, proceeds of which will go toward purchase of fire fighting equipment for this area. At 11 o'clock Thursday morning, June 26, there was a meeting of the committee to determine the extent of financial success of the North Tahoe Community Club's latest and most worthy project. Equipment has been studied, checked by competent persons and will be ready for delivery within three weeks after final approval. The committee has worked long and hard on this project and is entitled to a vote of thanks.

TAHOE PREPARES TO GIVE BLOOD AT MOBILE UNIT

TAHOE CITY—The luncheon which was to have been held at Bacchi's restaurant in Lake Forest by members of the Women's Club of Tahoe on July 3 has been postponed until July 17 because of the proximity to the holiday. Reservations should be in by July 15, according to Mrs. Jeannette Mitchell, entertainment chairman. A meeting is being held in Tahoe Community Hall by the club July 3, with refreshments at 1 p.m. to be followed by a brief business meeting. Canasta will follow.

Mrs. Mitchell, who has been appointed one of the directors to assist in securing depositors for the Mobile Blood Bank, will take charge of all that district known as "Highway 89 South." She reports the blood bank unit will be in Tahoe City on the morning of July 22 at which time it is hoped a quota of 151 pints of blood can be realized in this area. She will be assisted by Mrs. Dorothy Van Allen on Sunnyside Lodge, Mrs. Deming nad Audrey Brehler of Tahoe Pines and Mrs. Gladys Anderson of Pineland. Jimmie Martin is director for the Tahoe City district.

Anyone desiring to donate to the blood bank, and all types of blood are needed, should contact Mrs. Mitchell or Martin and make an appointment.

The Wyethia Women's Club of Truckee is sponsoring the Mobile Blood Bank here.

Geiers Entertain Kin From South of State

TAHOE CITY—Mr. and Mrs. Phil Geier of Tahoe Park entertained last week his brother and sister-in-law, Mr. and Mrs. A. P. Geier and children, Steven and Gretchen, of Tekoa, Wash. On Saturday new houseguests includ-

ed Mrs. Geier's cousin, Mrs. Dorothy Archibald, and her son-in-law and daughter, Mr. and Mrs. Gene Gantt and son, Dickie, all of Glenlake. Accompanying them was the Geier's seven-year-old granddaughter, Susan Bailey of Glenlake, who will remain all summer with her grandparents here.

Birthdays, Anniversary Celebrated at Parties

TAHOE CITY—Mrs. Jeannette Mitchell of Sunnyside on Friday hosted a birthday party for two neighbor children, Gary Anderson, son the Bert Andersons, and Bobbie Bach, son of the Denis Sachs. The boys turned 13 and 14 respectively. Penny Jenkinson and Mary Zang accompanied the boys to the theatre, after which two beautiful birthday cakes and refreshments were enjoyed at the Mitchell home.

While the children celebrated their natal days a group of grown-ups observed the 8th wedding anniversary of the Howard Guths of Sunnyside with an evening of refreshments and gaiety. Present for the occasion were Mr. and Mrs. Jimmie Martin, Mr. and Mrs. Denis Sach, Mr. and Mrs. Bert Anderson, Mr. and Mrs. J. Merryweather and the hosts.

Guests at the Mitchell home for the past week were Mr. and Mrs. Charles Chlubna of San Francisco and their children Charles Jr., Richard, Susan and Patty. The boys, who will remain at the Mitchell home all summer on vacation, caught their first fish on Monday from the Tahoe Park

ABSENT VOTERS CUT CHARRISON LEAD OVER VERNON TO 26

TAHOE CITY—Judge C. W. of Tahoe City made a net gain of five votes on Judge Harry Charrison of Kings Beach in the count of absent voters' ballots from the June 3 primary election. This was not sufficient, however, to offset Charrison's lead and the latter will serve as judge of the unified Tahoe judicial district after next January.

Absentee votes gave Vernon 22 and Charrison 17, with the totals Charrison 332 and Vernon 306.

In the 4th Placer County supervisorial district, challenger Lyn Lardner of Colfax gained on incumbent Frank Paoli of Applegate in the absentee tally. Lardner pulled 43 (848), Paoli 36 (880); Reuben Robertson of Colfax 10 (154); Robert Hobbs of Kings Beach 8 (214). Lardner and Paoli will run-off for the post in the November general election.

Of the foregoing Troops Nos. 3, 10, 16 will stay over for a second week. Also coming in the second week will be Troop 29, Scoutmaster Roy Ruhlala, IOOF, of Rocklin and Troop 7, Scoutmaster Clarence Osburn, Truckee American Legion Post 439.

Additional spaces are still available for troops in the second week which begins July 20. Also for the third week which will start on July 27. Special plans are being made for an Explorer session if there is enough interest on the part of these young men, members of crews and posts in the area.

While extensive repairs will be needed to the main lodge and wash room because of snow damage to the roofs, it is not expected that this will interfere with the conducting of the camp, Ewan stated. The major obstacle at this time is the removal of snow drifts from the camp access road for the camp opening on July 13.

GROWTH OF LAKE REASON GIVEN FOR BANK SERVICE

Two new Bank of America branches, one at Tahoe City and the other at Tahoe Valley, are to be opened July 7, according to announcement by L. M. Giannini, president of the bank.

The branches, primarily to service the thousands of vacationers, tourists and summer residents who flock to the area of Lake Tahoe in the high Sierra of California, will remain open only about four months of each year.

The services of these branches will be available to all, as in metropolitan centers, states E. A. Mattison, executive vice president.

"Business and professional people, housewives, wage and salary earners, in fact everybody who finds Bank of America a convenient facility at home during the working year, will find the bank equally ready to serve them while on vacation, in line with our policy to serve all people in all possible ways," Mattison says. He adds that letters of introduction from the branch manager at home will assist in making identifications.

At the same time, he points out, during the short season will find resorts and business houses operating the branches a great convenience in serving their deposit needs and travelers from outside the state will find them invaluable in acquiring or cashing travelers' cheques.

The bank has branches established in many other California resort areas, such as Lake Arrowhead and Lakeport, but these are year-round operations.

SWANEE'S Tahoe Letter

Tahoe City, July 1

Dear Tahoeites—
Weather is improving daily and two days now have been really nice and warm.

Today children of Tahoe City area are registering at the Tahoe Lake elementary school for the annual summer swimming program sponsored by the Red Cross and the Tahoe-Truckee Unified School District. At King's Beach children will register at the Kings Beach school.

Carl Becholdt Jr. tells me that top pro flight at the weekend Cal-Neva golf tournament was won by John De Flure of Las Vegas with a score of 140, while Angie Bonino, Tahoe City pro, tied for second with Kai Thomsen of Tahoe Park with a score of 143. The amateur men's high score was taken by Lt. Moot Thomas of Reno with a nice 138. Phil Harris and Betty Hutton of movie fame are reported to have made the presentation of awards later at Cal-Neva. A nice crowd was on hand

to follow the players around at the Tahoe City and the Brockway courses, although rain dampened their spirits for a time Sunday.

Want to call attention to a new advertiser with the Sun this week, the Warren Porters of Tahoe City, who have opened the town's first general apparel emporium. I was pleasantly surprised the other evening while paying them a visit to find the quality and price of their merchandise to be equal to that of the best stores in our larger cities. The Porters have had a home at Carnelian Bay for some years and when they built their store and apartment building in Tahoe City two years ago they had in mind the opening of just such a business as they now conduct. Mrs. Porter has charge of the store all week and is assisted by Frany Fox of Oakland, with an occasional assist from son-in-law and daughter, Mr. and Mrs. R. H. Gray of El Cerrito. Hours daily are from 9 a.m. to 5:30 p.m. and on Friday and Saturday nights they remain open until 9 p.m. The store will operate the year around. In order to appreciate the excellent lines of men's, women's and children's clothing local residents should pay the store a visit and become acquainted with the large and complete stock offered. The Porters plan to carry as complete a stock as possible to satisfy the needs of the lake area and will add to their store such commodities as are sought by popular demand, and promise prompt and courteous service. Stop in at your earliest opportunity and get acquainted with the Porters and their store.

Fingerprints taken from a body found in Squaw Valley June 20, believed to have been that of Joe Carson of Tahoe City, are now found to belong to Joseph Estepa, according to the California bureau of criminal identification. Efforts are now being made to determine if Carson and Estepa were the same person. No relatives have been found of Carson's and authorities now are trying to locate relatives of Estepa.

Bishop Noel Porter returned to

Sacramento on business for a few days this week after enjoying visits with family members and friends. Guests over the weekend included their son, Noel Porter of Palo Alto, and daughter Daine; their son-in-law and daughter, Capt. and Mrs. Herman Rau and family of Sacramento; Dr. and Mrs. Corbin of Sacramento and Mrs. Williams, pianist. Services at the Outdoor Chapel were held indoors Sunday, due to the rain, a warm fire burning in the Memorial fireplace donated by Felix Daust of Marysville. Mrs. Williams later tried out the new piano in the St. Nicholas Hall, donated by Lowell Berry of Oakland.

Mr. and Mrs. Elfred Luhrs of the Truckee River will entertain a number of houseguests at their lovely estate on the river over the coming holidays. Among them will be Mr. and Mrs. Rene Vayssie of San Francisco, prominent hotel people, who will stop by for a visit on their way home from the hotel convention at Yellowstone Park. Others will include Mr. and Mrs. Fred Glauser of San Francisco, and Mrs. and Mrs. Robert Eddy of Carmel Valley. The Luhrs are renowned for their luscious barbecue dinners which this year will be served at the massive new barbecue which Luhrs built last fall, under the direction of his charming wife. Also in for vacations are the Luhrs' sons-in-law and daughters, Mr. and Mrs. Ollie Meek and Dr. and Mrs. Clarke Burnham and their families.

On Monday a number of Tahoe youngsters enjoyed a picnic and swim party at Bower's Mansion, south of Reno, accompanied by some of their parents. The party included Mrs. William Becholdt and three children, Jimmie, Julianne and Cheryl; Mrs. Jay Shontz and children, Jayne and Bro; Mrs. Jean Henry and children, Gary and Karen; Mrs. Bud Scott and children, Bruce and Edward B. II; Lew-nad David Marsten; Randy and Danell Pomin; Sandy Fellows; Janet Brodehl; Bonnie Boyce and Marsha Kiley.

TAHOE PARK CIVIC BOOSTER DIES SUDDENLY IN SOUTH

TAHOE CITY—Local friends and neighbors were saddened this week to learn of the death of a prominent Tahoe Park resident, Dr. Charles B. Moore, for 13 years a summer resident of the park and long the secretary of the Tahoe Park Association. The Moore family visited Tahoe last on Memorial Day and it was only a few days after they returned to their home in Los Angeles that Dr. Moore suffered a heart attack and entered Huntington Memorial Hospital, where he died on Saturday, June 28. He was a retired superintendent of Los Angeles schools.

He leaves a wife, Madge, and two daughters, Mrs. Bruce Lawson and Mrs. T. J. Anderson, and a son, Everett.

Funeral services were held Tuesday in Los Angeles, with burial at Forest Lawn Cemetery. The sympathy of the community is extended to members of the family.

MOVES TO NEVADA

Mr. and Mrs. Harry Lauritsen, who have been conducting a jewelry store and watch repair shop at Gateway Park Shopping Center, have moved to Reno. Lauritsen has accepted a position with one of the jewelry firms in that city.

From South—

Mervin Keil, assistant manager of the California Club in Los Angeles, stopped off at Alder, the Pineland home of Mr. and Mrs. Al Herman last week. He is making a vacation motor trip of northern California. Mr. and Mrs. Belford M. Cruse of Hollywood spent several days last week with the Hermans. He is professor of economics at Los Angeles City College and the families are neighbors in Hollywood.

Chased homes in town this week. They are Mr. and Mrs. Dick Carnell, who bought the former Hinkle home in the Bittencourt Tract, and Mr. and Mrs. Bob Stark, who have bought the former Atherton home, more recently owned by Mr. and Mrs. A. M. Anderson of the Village Store, also in the Bittencourt tract.

One of the nation's most popular holiday weekends is in the offing. Hope your readers drive sanely and celebrate sensibly, so you'll all be with us again next week. Happy 4th of July to one and all. As ever, Swanee.

SKI MEET SUNDAY ON SLOPES OF SQUAW PEAK

SQUAW VALLEY—Around 50 skiers are expected to participate this weekend in Squaw Valley's third annual mid-summer ski derby, according to Frank Titus, president of Squaw Valley Ski Club.

Titus said that defending champion, Dick Buek of Soda Spring, has indicated his intention of entering. Buek, last year's winner, was a member of the 1952 U. S. Olympic Ski Team. Jack Reddish, veteran of two winter Olympiads, may get away from Navy duty in the bay area to add his talents.

The last officially sanctioned race of the FWSA will get underway Sunday, July 6, about 4 p.m. Vertical drop of the course will be about 800 in just over half a mile down Squaw Peak. Stan Tomlinson of Squaw Valley will set the course. Traditionally fast "corn" snow prevails on the upper reaches of Squaw Peak. Ample snow exists for the running, with depths up to 20 feet remaining.

Observing birthdates recently have been R. E. Smart, June 23; Mrs. W. A. Loynd, June 23; Mrs. R. C. Gifford, June 7.

CAL-NEV BOUNDARY DISPUTE BASIS OF SCHOLASTIC ARTICLE

LOS ANGELES— Few people know that the California-Nevada border was the cause of a small war as well as the establishment of one town as county seat for two different counties in two different states.

These and other facts about the early days of the boundary line between the two states are discussed by Dr. Benjamin E. Thomas, assistant professor of geography on the Los Angeles campus of the University of California, in a recent issue of the Annals of the Association of American Geographers.

The small border war occurred when Nevada Territory organized Roop County and specified that its western boundary would be the crest of the Sierra. This overlapped the edge of California's Plumas County, and the battle was on.

Two courts claimed jurisdiction. The Plumas County sheriff arrested the Roop County sheriff, and as a result two armed posses were organized. Several persons were injured before private citizens managed to stop the feud.

More difficulties centered around the town of Aurora. It was named county seat of both Mono County, California, and Esmeralda County, Nevada. Here, however, hostilities were avoided by the unique arrangement of allowing citizens to vote for either Esmeralda or Mono County officials.

Two weeks after the election a survey showed Aurora to be in Nevada and the California officials moved out.

The bridegroom is the son of Mr. and Mrs. Elmer Ferrari and his bride is the daughter of Mr. and Mrs. Wm. Paulson, all of the east bay metropolis.

The handsome young couple are spending their honeymoon at Gold Crest resort, Kings Beach, before returning to Oakland where they will make their home.

BOARD PASSES NEW ZONING RULES FOR NORTH TAHOE

AUBURN— A zoning ordinance increasing the commercial and multiple purpose areas in Zone 6 on the northeast side of Lake Tahoe was adopted by the board of supervisors in the form recommended by the county planning commission.

The ordinance, for which two public hearings were held by the planning commission in Auburn and by the supervisors in Auburn and at Lake Tahoe, was enacted by a 4 to 1 vote, Supervisor William Haines, Auburn, dissenting. He said he approves increase in multiple purpose units but not enlarging the commercial areas.

The supervisors added a resolution requiring the planning commission to pass on all types of buildings and businesses within the zone.

The planners will be asked on July 9 to instruct Building Inspector Robert Watson to submit all license applications in this zone to the commission before permits are issued affecting commercial and multiple purpose units.

"At 5:45 a.m., the sun was shining bright over the beautiful blue water of Lake Tahoe and shining on the white sands on the beach at Meeks Bay. There, in the west, was the most beautiful full rainbow and at the same time a flurry of snow. I have never heard of anything or seen a view like this."

JULY-6-

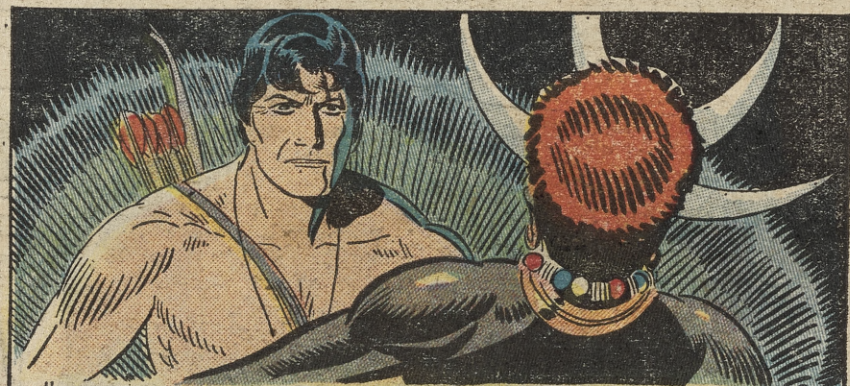

"WHY SUCH DESOLATION?" ASKED TARZAN. "A PLAGUE--?" WAMBA SHUDDERED FEARFULLY. "YES, PLAGUED-- BY THE GHOST LION!"

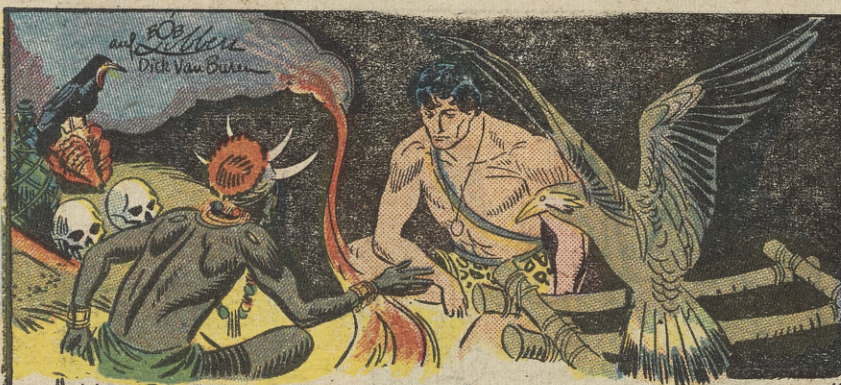

"WE WERE STRONG ONCE, BUT THAT WAS BEFORE THE CALAMITY. ONE NIGHT A VILLAGER WAS CARRIED AWAY BY A LION-- A MAN-EATER. BRAVE WARRIORS WENT AFTER HIM, BUT NONE RETURNED--"

WAMBA SIGHED. "THUS IT HAS BEEN. THE RAIDS CONTINUED-- AND EACH TIME WARRIORS HUNTED FOR THIS TERROR, THEY MET DEATH!"

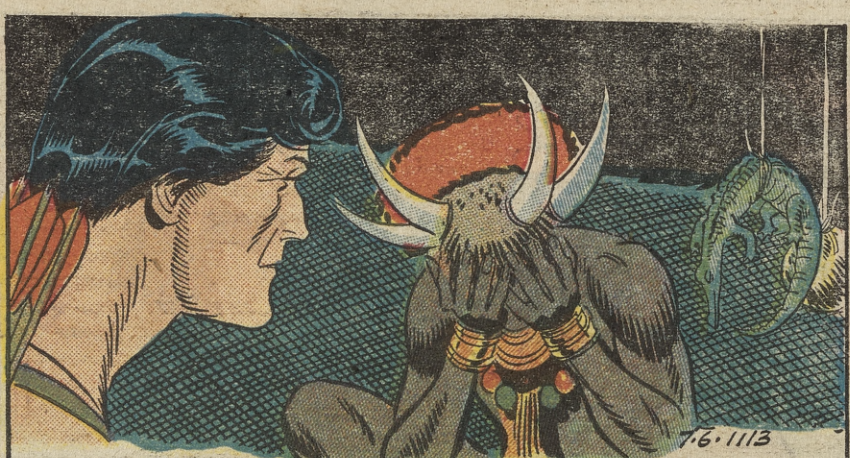

"WHY NOT MOVE AWAY?" SAID THE APE-MAN. "NO USE," REPLIED WAMBA DEJECTEDLY. "THE TRIBE IS CURSED. THIS 'LION' POSSESSES FIENDISH CUNNING. HE IS FILLED WITH SPIRITS WHICH WOULD DESTROY US!"

"YOUR STORY IS SAD, BUT HARD TO BELIEVE," MUSED TARZAN. "WAIT!" EXCLAIMED THE WITCH DOCTOR. "THIS IS NO SUPERSTITIOUS BELIEF-- I-I MUST CONFESS TO WHAT I ALONE HAVE SEEN--"
